

It's a phone, mobile computer and scanner all in one. It's the new Symbol® MC70, the first rugged Enterprise Digital Assistant (EDA).

Take care of business where business happens with the MC70 EDA.
This rugged, lightweight and powerful device is increasing enterprise mobility.

The rugged MC70 delivers enterprise-class functionality, including multi-mode wireless networking, real-time voice and data connections and advanced data capture. Since it's able to withstand rigorous use, this all-in-one device helps to lower total cost of ownership and ensures mobile workers have everything they need to stay efficient. Add Symbol's comprehensive service plan for even more assured investment protection. For superior enterprise mobility in the office, out in the field, in the healthcare facility and just about anywhere, trust the proven performance of Symbol and the rugged MC70 EDA.
